Service Project Information

Scarecrow Scramble, Saturday, October 5th - 2pm-8pm

Meet us at Lisle High School - stations will be assigned throughout Community Park

This annual fundraising event is an evening race held by the Lisle Partners for Park Foundation. The funds raised help the Lisle community by offering scholarships for families who otherwise could not afford to participate in recreation programs, contributing to the beautification of parks and protection of natural resources, supporting and enhancing community programs and promoting recreational opportunities. They also directly support our group! Before the race, we'll help with setup. During the race we will be going out to different spots along the course to cheer on runners and make sure they're sticking to the course. We will also help to pick up the luminaria used to light the way at the end. Volunteers will get a cool Boo Crew t-shirt!

Please dress warm; we will be outside!

Online waiver is required - please register for "Scarecrow Scramble Volunteer" under the Partners for Parks tab of the park district catalog.

Sleep Out Saturday: November 4th-5th – 5:30pm-7am

Taking place at the Lisle Park District, we will be spreading awareness and educating ourselves on homelessness. We will start the event by 5pm. In order to participate, each participant must raise \$35 and MUST be registered as a member of Lisle Teens With Character. This is the amount of money it takes to house one family a night in Dupage County. At this event we will learn more facts about the reality of homelessness, do some activities, and at the end of the night, we will spend the night in boxes and/or tents. It is highly suggested that you come prepared with thick blankets, layers, gloves, hats, jackets, etc. We will wake up fairly early in the morning to eat breakfast together, discuss our experience, and head out at 7am. A more detailed list will be available soon! Please rsvp to Dawn at dyackley@lisleparkdistrict.org. Visit <https://www.bridgecommunities.org/index.html> for more information.
